

Love in us losin my soul
I was in the lost battle death
At my door
A dog in the backyard
Feels for my pain
Beu in broken bottle death
Beat an rain

O sajna aaja ve
Dil di sunava gallan
Muh te uda ke pallan
Sir choom laan
O meri gal sun ja ve
Dil mera hoya jhalla
Ek bus tu hi ekila
Tere te manave...

Yuhi aansu aansu bikhar ke
Humein chain milega mur ke
Pachtate hain hum
Tujh se dhoka karke
Jaaya hum pe yu
Teri wafa na kar
Jaaneja humko tu daga de

Tera mera rishta tha bhool
Tune ek pal main mita
Dala jaise ho dhool
Ab bus main hu yaade or gum hai
Ab iss gum ko sari umar sahege

Maine dard se tere bhara hai
Tere naam ka zakhm hara hai
Sab khatam hua per
Baki kuch zara hai
Dhere dhere kat rhi hu jaaneja
Aanshu thode tu bhi baha de

Tuta dil tto sub kuch jal gaya
Mausam vo achanak
Khushiyo bhara badal gaya

Khwaab the jitne
Aankho se beh gaye
Bus karne ko yaad

O sajna aaja ve
Ho meri gal sunja ve
O sajna aaja ve
O meri gal sunja ve

Love in us losin my soul
I was in the
Lost battle death
At my door
O sajna aaja ve

A dog in the backyard
Feels for my pain
O meri gul sunja ve
Beu in broken bottle death
Beat an rain.
