

Aa ha ha...

Aa ha ha...

O sathi mere..

Haathon mein tere

Haathon ki ab girah di aise

Ki toote ye kabhi naa

O sathi mere..

Haathon mein tere

Haathon ki ab girah di aise

Ki toote ye kabhi naa

Chal na kahin sapno ke gaaon re

Chhote na phir bhi dharti se paaon re

Aag aur paani se phir likh de woh waade saare

Saath hi me roye hanse sang dhoop chaaon re

Aag aur paani se phir likh de woh waade saare

Saath hi me roye hanse sang dhoop chaaon re

O sathi mere..

Haathon mein tere

Haathon ki ab girah di aise

Ki toote ye kabhi naa

Hum jo bikhre kabhi

Tumse jo hum udhde kahin

Bun le na phir se har dhaaga

Hum toh adhoore yahaan

Tum bhi magar poore kahaan

Karle adhoorepan ko hum aadha

Jo abhi humaara ho meetha ho ya khaara ho

Aao na kar le hum sab saajha

O sathi mere..

Haathon mein tere

Haathon ki ab girah di aisi

Ki toote ye kabhi naa

Gehri andheri ya ujle savere hon

Ye saare toh hain tum se hi

Aankh mein teri-meri utre ik saath hi
Din ho patjhar ke raatein ya phoolon ke

Kitna bhi hum roothe par baat karein sathi
Mausam mausam yunhi saath challenge hum
Lambi inn raahon mein ya phoonk ke paahon se
Rakhenge paaon pe tere marham

Aao miley hum iss tarah
Aaye na kabhi virah
Hum se main na ho riha
Humdum tum hi ho, hardum tum hi ho
Ab hai yehi dua...

Saathi re umr ke salvat bhi saath tahenge hum
God mein leke sar se chandi chunenge hum
Marna mar saathi barsaat jeeyenge hum

O sathi mere
Haathon mein tere
Haathon ki ab girah di aise
Ki toote ye kabhi naa
