

O sathi re o o sathi re
Pyar jisko kahte hai
Ek bar kiya jata hai
Ho pyar jisko kahte hai
Ek bar kiya jata hai
Dil jisko kahte hai
Ek bar diya jata hai
Ye nazro ka nata hai
Sabse nahi joda jaye
Chahe dam tute to
Tute par pyar na toda jaye
O sathi re o o sathi re

Man ki chunariya
Man ki chunariya
Man ki chunariya
Rangi tere rang me
Ho rangi tere rang me
Preet ki dagariya
Chali tere sang me
Ho chali tere sang me
Parwat hi shish mahal
Hai tu pas agar sawariya
Tere sang to angaro pe
Ho aa sakti hai re nindiya
O sathi re o o sathi re

Pyar kiya maine o
Pyar kiya maine
Pyar kiya maine
Ke bahane
Takarar ke bahane
Ikraar kiya maine
Inkaar ke bahane
Inkaar ke bahane
Dil kabse tha diwana
Par hamne aaj pahchana
Tere bina hai mushkil jina
Tujhse bichde tab jana
O sathi re o o sathi re
