

# Oh Baby Song Lyrics

---

In the middle of the way  
Hold in your hand  
I want to kiss you  
As long as i can

Stand on there  
So zip inside your light  
I want take you  
To the moon and light

Oh baby oh baby  
I want to leave you  
Oh baby oh baby  
I know you want me too

Oh baby oh baby  
I want to leave you  
Oh baby oh baby  
I know you want me too

Soniye tu lagdi kamale  
Tu hi mera din tu hi shame  
Jaan hai tu eman hai tu  
Tere ishq pe sab kurban hai

Soniye tu lagdi kamale  
Tu hi mera din tu hi shame
