Choopinchu nadipinchu

Maa inti purnaalu  
Urinchey undrallu  
Nikosam teesukocha  
Help cheyyi help cheyyi

Sidhi budhi ani  
Niku iddarunnaaru  
Yendha vaana ki  
Godugu niku padathaaru

Na chitti gundeki  
Nachhindi okey pilla  
Yedola maaya chesi  
Kalipeyi yela golaa

Jai jai ganesha  
Jai jai ganesha  
Jai jai ganesha  
Jai jai ganesha

Nee thalli maata pai  
Ah parama sivudiney  
Praanaley adetti  
Edhurinchinavayya

Tanu kana kalalani  
Naa kanti reppala  
Kaaduthanuley  
Kalipeyya raavayya

Nuvvu ganalanu gelichaavu  
Andari manasulalo nilichaavu  
Aah kituku kaastha

Maaku cheppavayyaa

Premunna manasulo

Bhayaalu elanoo

Tegimpu chupithey

Jayalu andhavaa

Ivvu ivvu ganeshaa

Icheyyavaa

Manasu korukunna vaaditho

Mudiveyyavaa

Panchu panchu ganesha

Pancheyyavaa

Nee karuna panchi mammu kaastha

Deevinchavaa.
