

Rumchika rika pika rika  
Rum pup choooooo  
Tika lika chika lika  
Lak tak chooo

Rumchika rika pika rika  
Rum pup choooooo

Siya merano me'sano finaana

Rumchika rika pika rika  
Rum pup choooooo  
Tika lika chika lika  
Lak tak chooo

Rumchika rika pika rika  
Rum pup choooooo

Siya merano me'sano finaana

O by god  
Chahe mujhe jo chori chori  
Mohabbaton ki dori  
Jo bandhe hai pasand mujhko

BHARAT  
lyrics

O by god  
Only jo teri meri jodi  
Khuda ne khud jodi  
O aayega pasand mujhko

O by god  
Chahe mujhe jo chori chori  
Mohabbaton ki dori  
Jo bandhe hai pasand mujhko

O by god  
Only jo teri meri jodi  
Khuda ne khud jodi  
O aayega pasand mujhko

Ho aata jab samne teri

Leta hoon sapno mein fhere  
Saanson mein aur dil mein mere  
Baje yeh shenai

Tere khayalon ke ujalon mein jage  
Jake to paya tujhe  
Bandha nigahon ne mohabbat ke dhage  
Lage tu mera mujhe

Tere khayalon ke ujalon mein jage  
Jake to paya tujhe  
Bandha nigahon ne mohabbat ke dhage  
Lage tu mera mujhe

Ho chahat ne li hai angdai  
Dur hui sari tanhai  
Bharatlyrics.com  
Dil ne dil se tal milai  
Baje yeh shenai

Rumchika rika pika rika  
Rum pup choooooo  
Tika lika chika lika  
Lak tak chooo

Rumchika rika pika rika  
Rum pup choooooo

Siya merano me'sano finaana

Rumchika rika pika rika  
Rum pup choooooo  
Tika lika chika lika  
Lak tak chooo

Rumchika rika pika rika  
Rum pup choooooo

Siya merano me'sano finaana

Mere dukhon ki dawa tere naina

Naino mein chehra tera  
Kissa jawani ka  
Jawan tum se hain na  
Hain na bata tu mera

Mere dukhon ki dawa tere naina  
Naino mein chehra tera  
Kissa jawani ka  
Jawan tum se hain na  
Hain na bata tu mera

Ho tu meri kismat ka tara  
Hota hoon lo aaj tumhara  
Dil ne jab jab tumhe pukara  
Baje yeh shenai

O by god  
Chahe mujhe jo chori chori  
Mohabbaton ki dori  
Jo bandhe hai pasand mujhko

O by god  
Only jo teri meri jodi  
Khuda ne khud jodi  
O aayega pasand mujhko

Ho aata jab samne teri  
Leta hoon sapno mein fhere  
Saanson mein aur dil mein mere  
Baje yeh shenai.
