Kannimai kaanathathai nee unarndhida
Nee alaipaayvathai nee marandhida

Un vaanilai, un soozhnilai
Un naalai ini ellaam maarum
Oru podhaiyai nee unarvathai
Nee naadinaal naadi vaayile vaa

Naan illai, un soozh illai
Un naavillai, nee ellaam maarum
Oru modhaiyai nee unarvalai
Nee naadi naadi vaayinge

Unnai nambalaa, ummai sonna aaraa
Unnai nambalaa ummai sonna aaraa

Aamen, nee enge irupaayaarayaa?
Oraayaa, oraayaa, vaaraayaa
Magaraayaa
