

Oh Shit Song Lyrics

Last seen check kiya tera hide tha
Baby last night to pillow fight tha
Kya hua achanak se apna seen tight tha
Mint pehle ek the relation right tha

What the f***k did went wrong
5 f*ckin years we had a bond
Oh my god is this the end
Is this for real or guess another trend

Love is not real jaan loon
Tu nahi bolegi maan loon
You cheater you ditched me
Oh shit you just hit me
Yeh kalpanik hai saare aashun tere
Kajal jo bahe they on shirt mere
Saari baate fake saare wade bull shit

Jaise makeup tere nakli chehra oh shit

Oh shit tera pyaar tha jhootha
Oh shit tera yaar hai toota
Oh shit tera pyaar tha jhootha, fake
Oh shit tera yaar hai toota

Yeh bina wajah jo rahi hai
Aur mujhe ehsaas dila rahi hai
Ki main laayak nahi ek ajeeb sa guilt hai
Arey clear kar ye kaun sa bill hai

Oh shit tera pyaar tha jhootha
Oh shit tera yaar hai toota
Oh shit tera khowbo wala
Parivar hai choota
Oh shit.
