

Okariki Okarani Song Lyrics

Vadileshunte modalavuthude ee katha
Vaddantunte munduntunde aagadhaa
Cheripesthunte thirigosthunde nee katha
Parigeduthunte edurosthunde aagadhaa

Doorala mullu thenchedelaa
Mee gnapakalni marichedelaa
Kopala kindhe dachanu baadhe

Pai paina sagi poye alaa
Lothentho choodu naa lopala
Kanneeru ninde gundemo endey

Kaugillalo chikku kunna rekkalne
Ne veru chesanu le
Pedalapai navve thalonchi pothunte
Choosthundi poyanu le.
