

Olammo Vagalaadi Lyrics

Ososi vayyaari neevaipē naadhaari
Indaaka vachavante navvalosaari
Ososi vayyaari palakaale osaari
Nee paluke vinnarante jodi savaari

Gunde soothe godekki medekki deedikki aatedho aadinde
Ninnu soothe pandakki bandekki mandhekki thugaalantude
Kode eedu pandemlo punjalle mundhuku dukesthanande
Raathirella uppulukuppu aatalu neetho adandhe

Eele nuveyyakunte gole ne seyyakunte
Neetho ne undilenatte sinnadhaana
Etthe nuvvu antha unte soothe nannu orakante
Sotthe nenavvana ente

Olaammo vagalaadi nuvena ammadi
Oragaa soosavante pona alladi
Olaammo vagalaadi seyyakee eedhaadi
Okatai poyamante antha raabadi

Chanuvu inkonchem vayase ichukomandhe
Tanuvu lo bhaaram konchem thagginattundhe
Nuvvu bangaaram antu manasu cheppindhe
Gunde gadiyaaram neetho aagipomandhe

Gunde soothe godekki medekki deedikki aatedho aadinde
