

I might be sentimental
But don't get so judgmental
So what if i am an old school girl
Bharatlyrics.com
I am an old school girl
I am an old school girl

I might be sentimental
But don't get so judgmental
So what if i am an old school girl
I am an old school girl
I am an old school girl

Darling though we are
From different time zones
I still can call you
Anytime on your telephone
Oh but i really love
For your hand written letters
You make smile and say
Oh baby those days are gone

I like the smell of your palm and your ink
Well letters from you
Just makes me love your everything
All the sweet nothing
Don't write between your lines
My heart can hear that every single time

I might be sentimental
But don't get so judgmental
So what if i am an old school girl
I am an old school girl
I am an old school girl

I will fight with the world if it comes to
That be your big girl to prove them right
But every time you say goodbye
I swear to god i cry i cry i cry i cry

I cry boy i cry i cry and i cry

When you say goodbye
I swear to god i cry

I might be sentimental
But don't get so judgmental
Yeah i am just an old school
Old school old school gal

I might be sentimental
But don't get so judgmental
So what if i am an old school girl
Old school girl i am an old, old school girl.
