

One Boy One Girl Song Lyrics

One boy one girl lookingu
Height weight checkingu
Parents fixing matchingu
Dowry givinguu

One boy one girl lookingu
Height weight checkingu
Parents fixing matchingu
Dowry givinguu

Marriage bellsu ringingu
Single bed sharingu
Inside first love killingu
You are dieinguu

Where is the where is the
Where is the where is the
Where is the where is the lovingu
Where is the where is the feelingu
You are feelingu cryingu dieinguu
Where is the where is the lovingu
Where is the where is the feelingu
You are feelingu cryingu dieinguu

One boy one girl lookingu
Height weight checkingu
Parents fixing matchingu
Dowry givinguu

Naannake maaticchaavani
Aha Naannake maaticchaavani
Amma aligindhani
Manasuke uri thaadesi
Mudi vesthaava thaalini
Jantakaani pillatho
Yedu adugulu veyyadam
Aaru adugula goyyini
Neeku nuvve thavvadam

Neeku thodu marrichettu Schoolu groundu Gandhi bomma
Gundelona cherigiponi Nee prema bommaa

Where is the where is the
Where is the where is the
Where is the where is the lovingu
Where is the where is the feelingu
You are feelingu cryingu dieyinguu

Kalla mundhunde roopam
Aha Kalla mundhunde roopam
Manasune thaakadhe
Manasulo nindina pranam
Yedhuruga vacchee vaaladhey

Railu journey kaadhuraa
Life journey pelli raa
Yevvaraithe yentanee
Sardhukolem sodharaa

Kallaloki choodaleka
Maata kooda kalapaleka
Jeevithantham janta madhya
Bhoo madhya rekhaa
