

U sone jaisi chamke,
Tu chaandi jaisi damke
Tujhe hi dekhti hain,
Yeh aankhein jam jam ke
Hile jo tere jhumke,
Lage jo tere thumke
Toh bole jag saara,
Tu nach le dobara

Baby baby baby baby
One more one more, lak da hulara
Baby one more one more, akkh da ishara
Give me one more one more, lak da hulara
Baby one more one more, akkh da ishara

Haan dil thagda ni mere lak da hulara
Everybody wants my lak da hulara
Sona lagda ni meri akkh da ishara
Everybody wants my akkh da ishara

Tu kangna jab khankaaye,
Meri jaan mein jaan aa jaaye
Badh jaati hai bechaini,
Jab payal tu chankaaye

Mera haath pakad ke,
Nach aage badh ke
Ho mera haath pakad ke,
Nach aage badh ke
Maine dil apna tujhpe haara

Baby baby baby
Give me one more one more, lak da hulara
Baby one more one more, akkh da ishara

Give me one more one more, lak da hulara
Baby one more one more, akkh da ishara

Ho dil thagda ni tera lak da hulara
Everybody wants your lak da hulara
Sona lagda ni teri akkh da ishara

Everybody wants your akkh da ishara

Mera kajal tujhse bole,
Chadh duniya mera ho le
Meri chunri mere maahi,
Tenu rab de barabar tole

Main shaam savere,
Ab maathe pe tere
Haan shaam savere,
Ab maathe pe tere
Chamkunga main banke sitara

Baby baby baby
Give me one more one more, lak da hulara
Baby one more one more, akkh da ishara
Give me one more one more, lak da hulara
Baby one more one more, akkh da ishara
Give me one more one more, lak da hulara
Baby one more one more, akkh da ishara
Give me one more one more, lak da hulara
Baby one more one more, akkh da ishara.
