

One Sun One Moon Lyrics

Tere naina naina
Tere naina
Tere naina naina
Tere naina

Por thodangidum por padai thirandidum
Por kodi paranthidum por karam uyarntidum
Por perum padaichidum por pugazh sarithiram
Por aram velthidum por peyar nilaithidume

Oru nirandhara per
Yevan ivanukunu
Oru nirandhara per
Yevan ivanukunu
Oru perivaan per

Tere naina
Tere naina
Tere tere naina
Tere naina

lyrics

Innaikku ennaikku
Oru thalaivan thaana
One sun one moon
Athikku ettuthikku
Avan per sonna
Yeah one sun one moon and one

Huh yeah
'cause i'mma step in and the crew trigger
I'mma make the whole room bigger
I'mma make the whole crowd shiver
'cause ain't no fella with my flow killer

Lightest in my vein of gold
Every lesson made me bold
Had to find my way alone

Now my story's being told

Sight just turned the dark to light
Heavy heart became my right
I just fight when you fight
And now i'm shining through the night

Tere naina por thodangithu paar
Por padai thirangithu paar tere naina
Por kodi parakkuthu paar
Por karam uyarndhathu paar tere tere naina
Por perum padaichathu paar
Por sarithiram paar tere naina
Por veera kadhai paar

And now you know just what i mean

Innaikku ennaikku
Oru thalaivan thaana
One sun one moon
Athikku ettuthikku
Avan per sonna
Yeah one sun one moon
