

Maja nahi hai dikhaane mein, nasha hai pichhe chhupaane mein
 Ruk ja jara tu kuchh pal re, o jaanu, i love you re
 Hata jara yeh nakhara re, kare koi hum lafada re
 Nahi tujhe abb rukna re, just tell me re, i just so want to, oooh
 I just so want to ooooooooooooooh
 Ab karne de mujhe shaitaani, lalchaaye mujhe yeh teri jawaani
 Yuun dekhane de, chhedane de, abb yuun hi karne de ooooooooooooooh
 Band kar abb tu chhedkaani kar bas teri yeh jataani
 Kyun dekhta hai chhedata hai, abb kya tu chaahata hai ooooooooooooooh

Raat ka andhera hai, so raha jamaana hai, ghar mujhe jaane de
 Raat mein nasha hai, behka sama hai, i just want to ooooooooooooooh
 Yeh jaana mujhe jaana hai, kal phir aana hai, baat yeh maan le
 Abb nahi jaana hai, hosh udaana hai, pyaas bujhaane de
 Door hi rehna paas na aana, dekh wahi se dekha
 Doorse kehna kya hai tera dil ka iraada re
 Jhata tera shrmaana re, andaaj tera rangila re
 Aa paas tujhe main chhu lu re, just love me re, i just so want to ooh

Nashila badan tera husn jawaan tera paas toh aane de
 Nashila badan mera hona hi hai bas tera intzaar karle, ooh
 Hosh udaaye mera, dil dhadkaaye mera, roop suhaana re
 Hosh sanbhaal tera dil behaal tera yuun nahi hone de
 Ab sata na, paas aana, aa ho jaaye ek
 Phir na kehna kya hai mere dil ab iraada
 Maja nahi hai dikhaane mein, nasha hai pichhe chhupaane mein
 Ruk ja jara tu kuchh pal re, o jaanu, i love you re
 Hata jara yeh nakhara re, kare koi hum lafada re
 Nahi tujhe abb rukna re, just tell me re, i just so want to, oooh
 I just so want to ooooooooooooooh.
