

Uuper vaale
Uuper vaale
O uupervaale tera javaab nahin
O uupervaale tera javaab nahin
Kab de kya de hisaab nahin
Uupervaale tera javaab

Teri meharabaaniyon ka javaab nahin
Uupervaale tera javaab

Mujhako bivi ka pyaar diya
Jannat jaisa gharbaar diya
Jannat jaisa gharbaar diya
Har haal mein kush rahata hai tuu
Dariya ki tarah bahata hai tuu
O tuu nahin tum nahin aap main
Are do beton ka baap main
Isase bada koyi kitaab nahin
Uupervaale tera javaab

To ek haath se leta hai to sau haathon se deta hai
To ek haath se leta hai to sau haathon se deta hai
Is dil ko diye aramaan bade mujh par hain tere ehasaan bade
Kuchh log hain juuton ko rote
Kuchh log hain juuton ko rote
Kuchh logon ke paanv nahin hote
Mera haal itana karaab nahin
Uupervaale tera javaab

Taarif karuun teri kaise kadaki mein bhej diye paise
Taarif karuun teri kaise kadaki mein bhej diye paise
Himmat ka mujhe paigaam diya mehanat ka mujhe inaan diya
Dukhsukh saathi hain duniya mein
Dukhsukh saathi hain duniya mein
