

Oor Aayiram Vaanavil Song Lyrics

Oor aayiram vaanavil bhoomiyil
Un kanganum theduthe kaar irul
Poo vaasangal korthidum bhoomiyil
Un nesamum veezhninthidum veliyil

Un idhaya idhaya idhaya thiriyil
Perozhi paravum
Adhu ozhira ozhira ozhiyai
Parugum maanudam

Amma un madi podhum
Neeye en varamaagum
Ellam thandhai verai pola nindren
Unnil paniven unthan paadham enge
Kaalam ellam enthan aavi unadhe

Amma un karunai
Ethanai koduthu niraithiduven

Oor aayiram vaanavil bhoomiyil
Un kanganum theduthe kaar irul
Poo vaasangal korthidum bhoomiyil
Un nesamum veezhninthidum veliyil

Un idhaya idhaya idhaya
