Hello hello what to
Do kaun bol raha hai
O meri dilrubba o meri dilrubba
Main tera jaane jaa,
Main tera jaane jaa
You stupid badtameez ideeat
Kyun pareshaan kar rahe ho
Are pareshaan nahi
Pyar ke liye main
Ik din tumko mila thaa
Hatho main jhaam lekar
Saamne khada thaa
Teri ik saheli jo jaanti thi mujhko
Achhi tarah se pehchaan ti thi mujhko
Haan usi ne mujhko tujhi se milvaya tha

Nazare mili to tumhe sharam aagayi
Door jaate jaate phir tum paas aa gayi
Haa door jaate jaate phir tum paas aa gayi
Socho zara karlo yakeen
Woh raat thi itani yakeen
Tumne jo dabaya mera haath

Hello hello hello
Cut gaya cannection
Baat rahi dil mein
Shayad tum wahi ho
Sochati hoon dil mein
Kahan pe hum milenge
Atta patta batao
Wahin par hum milenge
Jahan tum batao
Dil ko ki raat hogi
Wahan mulakkat hogi
Tan se tan miljaayenge
Phir wahin baat hong
Tan se tan miljaayenge
Phir wahin baat hong

Lofar karike
Matlab mere bura nahi
Pyar koi ghuna nahi
Achha to milenge wahin
Achha to milenge wahin
