Aadar vi bas tu hi laavein
Rosiyen da te meleyen da

Aag jadon laati tere yaar ne
Ehna sadna te mittran ne sekna ae

Hater'an nu jyonde rakhi maalka
Ehna jatt aje teesian te vekhna ae
Hater'an nu jyonde rakhi maalka
Ehna jatt aje teesian te vekhna ae

Shohrataan gulaam hon kidiyan
Chhakhuran nu kihne bann laaye ne
Jatt kinnean di hikk utte chaldae
Raule anhevaah speakeran ne paaye ne
Raule anhevaah speakeran ne paaye ne

Naam te jugaad ne uchhalde
Ohi gaareyan 'ch vekhi ohna letna ae

Hater'an nu jyonde rakhi maalka
Ehna jatt aje teesian te vekhna ae
Hater'an nu jyonde rakhi maalka
Ehna jatt aje teesian te vekhna ae
Jatt aje teesian te vekhna ae

Negative lokan naale sochan di
Entry ni hon dinda yaar oye
Laai-lagg naale jede lagde
Oh diameter'an ton rehnde baahar oye
Diameter'an ton rehne oh baahar oye

Tu aap jede din kunda khol'ta
Pher mett ke vikhaave jihne mettna ae

Hater'an nu jyonde rakhi maalka

Ehna jatt aje teesian te vekhna ae

Ehna jatt aje teesian te vekhna ae
Hater'an nu jyonde rakhi maalka
Ehna jatt aje teesian te vekhna ae
