Marisey raa sinna molliga maari

Baalayame goppadhi
Baadha marishipothadi
Chandhamaama raadhane
Nijamu nammanantadhi

Sinna palli pattike
Yedupaapi choosthadhi
Kode eedu seddadhi
Nijaanni kodai koosthaddee

Ori vaari needhi gaadhura pori
Bajjoraa santi biddaga maari

Prema naalo dhaachinaa
Chinna boddemmagaane gaavuramгаа
Ninnu nene vaddhane
Girigeesukunna ginthadhelvakuntaa

Ragili naa vedhene
Dheepamole vettinaa
Perchinaa bathukammene
Kanneellalo saagadholina

Idichesi vadhileshinaa

Rekkaliriginatti eega
Sudigaalilo chikkinattu
Dhikku ,mokku leni kannu
Ekki ekki yedshinattu

Neeku dhaggaravvaleka dhooramayye dhaari leka
Chithikipoye naa bathukilaa
Gunde pundu meeda goddu kaaramaddhi guddhuthunthey
Gukka patti yedvaleni
Janmaaa.
