

Oru Paarvaizhala Song Lyrics

Oru paarvaizha la avagaricha
You make my soul sing sing swing swing
Ciru punagaizha la sedharadicha
Lip lip kiss kiss focus on happiness

Ettu edthu neeyum kalla
Etti enna paakum vella
Ettu kallu poochi polla
Thoongurene nanum mella

Always loving you
Dreaming of u and me
Mickey mouse run away
Keep smile for a while

En per ine thevai ey illa ey
Un perile azhaikalam ennai ey

Chocolate baby heart
Wanna bite moon light
Come come shake shake
Fun fun always

Oru dhevadhai enakkena pirandhu vittal
Bip lop lip bob one man falling love
En uyirinil uyir ena kalandhu vittal
Bip lop lip bob who's that lucky girl

Endhan padhai ellam
Undhan veetai serum
Endhan vaarthai ellam
Unnai patriye kurum

Knock bang bang gang gang
Cheer up long walk road trip
Candle light dinner night

En uyirin edai dhan enna
Unnai edai pottal theriyum
En ayzhul neelam enna
Un a kadhal alave adhuvum

Lets go bora bora
I am mean pora pora

Oru dhevadhai enakkena pirandhu vittal
Bip lop lip bob one man falling love
En uyirinil uyir ena kalandhu vittal
Boom boom bloosam who's that lucky girl.
