Oru pere varalaaru
Alichaalum aliyaadhu
Avanthaaney jananayagan

Namma makkal ninaikaama
Oru maattram porakkathu
Thara vandhaan tharamaanavan

Un pera keatta
Udal uranje pogum
Vizhi thiraiyil partha
Manam karanje pogum

Nee thoona ninnaa
Oru iname vaazhum
Nee dhooram ponaa
Enga uyire pogum

Unakke oru yuththam iniye
Uyire udal ratha thuliye
Varuven oru pakka thunaye
Uyirin uyirey

Azhiyaadhu indha vaalin kadhayee
Mudiyaathu indha raththa karaiyee
Kalathil ivan irukkum varaiye
Irukkum bhayame

Heeeeey thalapathy

Ivan veri orangaadhey
Ivan kodi irangadhey
Ivan mudivadangathey
Puyal thalakodhathey

Oru inai kidayaathey
Ivan puzhal azhiyaathey
Singam iraiyaagathey
