

Ovvoru Manusanum Ovvoru Vitham Lyrics

Poongaathu aala paathu veesaadhu
Boologom pothuvu namakku
Nellnaathu vaira paathu valaradhu
Vaan megam saatchi adharkku

Kuyil vaazha thani koodu
Mara kilai thanae adhan veedu
Pulu rondhu poga thani roadu
Kidaiyaadhu

Vovvoru manushanum
Vovvoru vidham
Indha boomiyil vaazhavadhae
Amanja varam
Vovvoru manushanum
Vovvoru vidham
Indha boomiyil vaazhavadhae
Amanja varam

Poongaathu aala paathu veesaadhu
Boologom pothuvu namakku

Motta veyila adai mazha than
Thaana samarasam seiyumae
Saruvediyaa idi idichaa
Megam minni minni olirume

Vaanaavillu nerathula
Thoga mayil koothaadumae
Vaanam parkkum boomiyilum
Thanthom inga muppbogame

Thenna vazha nelli palaa
Irundhaalum
Vetti veesi kodu poda marandhaalum
Neeyum vaazha naanum vaazhanum

Vovvoru manushanum
Vovvoru vidham

Indha boomiyil vaazhvaadhae
