Oh jammia panjab de ni ambran de chann jihe
Kurte de kaalar ne koorian de kann jihe
Tinn panj karda ni koi saadi marzi ch
Seva vikhe shrimaan hai ni saadi arzi ch

Oh fire saaton puchhdi ki taur kah ton kaddhi teri
Raashia scorio saade kole gaddi

Hai ni gabbhru rakane tere bhaag ch
Kure ni teri chirian ch ruchi saadi baaj ch kure

Oh sanu aunde ni pasande bande haule aise vaise
Maari kar jinne la daiye ni juttian te paise
Rabb siddhia pa dinda challe rabb
Naal siddhe saada dil uveh mehnga
Jiveh bambe chane vike

Bhale sathon ki sanu kam kar vi
Ethe mitran ch hai ni kure tension di ti
Sohne kapre bana te aundi feldi aa hikk
Ni main adha lakh deti kall darji nu tip

Kujh karke jawanage kai sal ton ni sutte
Sade nohan ch jo gallan tere head ton aa utte
Ohnu rehna pachhtava jihne lia saanu easy
Hun mint-mint mangde aa munda inna bizzi

Jiveh motte-motte kaaju paida kare afghan
Jithhe chaad-da ni paani uthe charr dange naam
Dekh jani khani kade asin mari ni break
Kha ke kahde sir jinni karan fast break
Khasa chalde brain nahi kahin ch garej
Ni main ohna tatta challa jio dubai net tej
Tera lemonade cool mere maslea hot
Naale ghata nin kise da ditta rabb ne bahut
Oh piche 90 aale chhade paas tetiyan te hoye
Nahio karde allow koi keh je sanu oye

Oh kite vikde hi hai ni kite jaman hi fri ni
Tu fan fire hoi hale dekhia hi ki
Ni tu fan fire hoi hale dekhia ki

Oh bole sir charr mehnat te vairi chup kul
Navin car jo kaddhai atth number'an da mull
Family nu rakhan bas sahan nalon nere
Kall labo ve chalaunda si main mata naal gin

Na-na negativity di tha zindagi ch zero
Ni main kise da nahi fan mera bapu mera hero
Kiveh fire aan ture rabb vaja raaji rakhe
Rabb sabh raaji rakhe rabb sada raaji rakhe
Rabb sabh raaji rakhe rabb sada raaji rakhe
