

Yaaro jara duwa do, bimaare dil ko koyi dawa do  
Laake use milaa do, saanson ko meri jara hawa do  
O oya oya oya oya, o oya oya oya oya  
Na jaaga main, na hi main soya, o oya oya oya oya

Yaaro jara duwa do, bimaare dil ko koyi dawa do  
Laake use milaa do, saanson ko meri jara hawa do  
O oya oya oya oya, o oya oya oya oya  
Na jaaga main, na hi main soya, o oya oya oya oya

Dekha tujhe toh sambhal nahi paaya  
Tere bina toh mujhe jina nahi aaya  
Dekha tujhe toh sambhal nahi paaya  
Tere bina toh mujhe jina nahi aaya  
Sochu main kya tere siwa, ho gayi hai tu gumshuda  
Hota nahi mujhe yakin, kaise yeh kya ho gaya  
O oya oya oya oya, o oya oya oya oya

Na jaaga main, na hi main soya. O oya oya oya oya

Dil mein chhupi hai tumhaare saari baatein  
Hongi abhi toh aisi kayi mulaakaatein  
Dil mein chhupi hai tumhaare saari baatein  
Hongi abhi toh aisi kayi mulaakaatein  
Kya naam hai bataao na, tum khud hi jaan jaao na  
Dekho karo na dillagi, hona tha jo ho gaya  
O oya oya oya oya, o oya oya oya oya  
Na jaaga main, na hi main soya, o oya oya oya oya  
Yaaro jara duwa do, bimaare dil ko koyi dawa do  
Laake use milaa do, saanson ko meri jara hawa do  
O oya oya oya oya, o oya oya oya oya  
Na jaaga main, na hi main soya, o oya oya oya oya.
