---

Maima geraa ah aakkitta  
Totally  
Maathitu thookitu porale iva  
Ivathaane ennoda maina  
Kadhala sollitu maathita scene ah

Oorukulla mama mavusa paaru  
Thaarumaaru ini vera yaaru  
Karuppu la na neruppa irupen  
En kadaiyila ozhunga nadapen

Undhan azhagai kandida  
Hey aayiram kangalum pothaathu  
Penne imai azhagile vijithiram undu  
Kandathum kaadhalum vanthathu unnidam

Paadatha paadatha kaadhal gaanam

Paadatha pattellam paada vandhaal  
Kaanaatha kangalai kaana vandhaal  
Pesaatha mozhiyellam pesa vandhaal  
Pen paavai nenjile aada vandhaal

Adhisayam ennil nigazhnthathu  
Avasiyam undhan varugai thanthathu  
Avasiyam unadhu varugai  
Irudhaya kadhavugalum yenguthu

Aayirathil oruvanakinai  
Aadhi mudhal andhamum maatrinai  
Kannai kattinai aasai moottinai  
Koondhal asaivile thendral veesinai

Melaadai thendralil  
Poovaadai vandhathe  
Melaadai thendralil  
Poovaadai vandhathe
