

Paalvarna Kuthiramel Song Lyrics

Paalvarna kuthiramel irunnoruthan ithaa
 Paambine ethirkuvaan purappedunne
 Pandathe charithathil sahadaayepol avan
 Naayaadaan manassukondorukkamaaye

Chirakundu fanamundenn ahankarikkum paambe
 Ivayonnum chirakaalam irippathalla
 Paaraake visham thuppum kudila paambe chollu
 Nerine jeyippaan nee karuthanaano

Manamaanaa midukkante padakkuthira
 Mathiyaanaa poraalikku thilangum velu
 Kithirathan kaalil chutti pidikkum paambe pidi
 Kuthari kulambadichu kuthikkum veeran

Nin vazhikalil thadayidum
 Shilakal ethire poruthi
 Nin ethirinaay anayumee
 Nirayil kanalu vithari

Nee ushirumaay kalamithil
 Kalikal thudaru thudaru
 Nin adaril nee anudinam
 Vijaya vazhiyil anayu

Madham adimudi nirayum paambe
 Mathi mathi kali mathi nin aattam
 Randaalile oruvan mannil
