

Kya soch rahe ho
Pyar karte ho aur soch ho
Socho mat kho jao, sab bhul jao
Dekho meri taraf, dekho
Kya mai sochati hu, hun hu
Jo dil me aata hai wahi karti hu
Jitani duniya ki parwah karoge
Apne aap se dur hote jaoge
So lets go, kahi dur chale

Kya hai shama kaisi hansii
Bikhari hai ye tanhaiya
Rango ki mili hai
Hum tum akele hai
Aise me kuch socho na
Ho, paas aao na, tarasao na
Aye jane jaa

Phir sochane lage ho
Dekho kitani khubsurat rat hai
Is neat lovely, is neat romantik
Aur mai, mai bhi is rat ki tarha hu
Masti bhari, mujh me kho jao
Pas aao, pas aao na
Tum ho jawa, mai hu jawa
Phir kyu sahe, ye duriya
Madhosh baho me pyasi nigaho me
Aaj to kho jao na re, paas aao na
Tarasao na aye jane jaa

Life is the leave yes
Lets every momment of its
You losing the most butiful
The most prsure gift wall
The gift of youth yes
You this buty you this life
You this love
So lets of go come on

Aati hai kyu angadaiya

Samjho zara gaharaiya
Dhadkane gati hai
Tumko bulati hai
