

Padhe Padhe Song Lyrics

Muddu pettanaa
Oopiri paine
Chuttu muttanaa
Aaviri laane
Kannu kottenaa
Korikakaina
Ninnu muttagane

Hathukundhuna
Aakharu la ne
Kothagundhani
Vaikharu lo ne
Enni thittina
Aapanu nene
Undu guttugaane

Padhe padhe pedhalani
Ade panai shraminchani
Padaalane pandinchani
Ede nadhai muncheyyani

BHARAT
lyrics

Padhe padhe pedhalani
Ade panai shramimchani
Padaalane pandinchani
Ede nadhai muncheyyani

I'm in pursit of
Some therapy
As soon as the melody
Hits
I'll never resist
The minute i look at you
Licking you
Velvety lips
An endless abyss of
Animalistic energy
Heavenly thrills
I'm letting your

Empathy enter
The feeling i feel is so heavy,
And steadily builds

Aye yo
Chalices of intimacy down
Always got my tunnel
Vision in focus when
You're around
I am like aye yo
Chalices of intimacy down
Always got my tunnel
Vision in focus when
You're around

Kanulaki kaapala ledhule
Kalaladhi aagani dookude

Kannu kottenaa
Korikakaina
Ninnu muttagane

Vayasuki opika lokuve
Thanuvuki aashala thaakide

Enni thittina aapanu nene
Undu guttugaane

Raaleva raaleva raaleva
Vaanalle naameeda
Deham vesave

Poleva poleva
Matese dooralu poleva
Nee naa kosame

Padhe padhe pedhalani
Ade panai shraminchani
Padaalane pandinchani
Ede nadhai muncheyyani
