

Uddu uddu channa mera karda ae chit ve,
Har pal rehnda ae khayal tere vich ve,
Tenu khayalan vich pavaan gal vakdi,
Vekhan baahan vich min-min ke,

Nede aagiyen milan diyan ghadiyan,
Din langh de ne gin-gin ke,

Nede aagiyen milan diyan ghadiyan,
Din langh de ne gin-gin ke,

Mera vi taan jaane jamaa tere wala haal ni,
Har vele nain teri karde ne bhaal ni,
Jid karke byah mein cheti dhareya,
Waddi bhabhi taun karake farmaish ni,

Nitt vekhdan main pagg ban ban ke,
Tere lehnge naal karayi jedhi match ni,
Nitt vekhdan main pagg ban ban ke,
Tere lehnge naal karayi jedhi match ni,

Kalli behke kar-kar vekha main shingar ve,
Dino din vadhi jaave mukh te nikhaar ve,

Mummy dindi ae badam roz soneya,
Mainu dudh vich rin-rin ke,

Nede aagiyen milan diyan ghadiyan,
Din langh de ne gin gin ke,
Nede aagiyen milan diyan ghadiyan,
Din langh de ne gin gin ke,

Sikhdi step nachne nu tere naal ve,
Tere hi khyala da hai chaare paase jaal ve,

Likhu taliyan te naam tera soneya,
Ve main mehndi naal chin-chin ke,

Nede aagiyen milan diyan ghadiyan,
Din langh de ne gin gin ke,
Nede aagiyen milan diyan ghadiyan,

Din langh de ne gin gin ke,

Joran-shoran utte challi jandi ne tyariyan,
Angrej jahe yaar sambhi bethe jimmevariyan,

Akhada kar leya book deep dhillon da,
Poori kar ditti teri farmaish ni,

Nitt vekhdan main pagg ban ban ke,
Tere lehnge naal karayi jedhi match ni,
Nede aagiyan milan diyan ghadiyan,
Din langh de ne gin gin ke,

Nitt vekhdan main pagg ban ban ke,
Tere lehnge naal karayi jedhi match ni.
