

Pahle pyar ki pahli ye barsaat hai
Hum dono yu ek duje ke sath hai
Bigenge hum tum hum
Tum hum barsat mein, barsaat hai

Pahle pyar ki pahli ye barsaat hai

Hum dono yu ek duje ke sath hai
Bigenge hum tum hum barsaat mein
Tum hum barsat mein, barsaat hai
Pahle pyar ki pahli ye barsaat hai
Hum dono yu ek duje ke sath hai

Humare milne se mosam saja hai
Rangeen fiza hai thandi hawa hai
Aise mein mera dil kah raha hai
Mujhko to jaane kuch hone laga hai
Aaj ki mulakat kya baat hai
Kya baat hai

Pahle pyar ki pahli ye barsaat hai
Hum dono yu ek duje ke sath hai
Bigenge hum tum hum
Tum hum barsat mein, barsaat hai
Pahle pyar ki pahli ye barsaat hai
Hum dono yu ek duje ke sath hai

Baaho mein aa ja chahat ki arzi hai
Hum tum kaise na milte
Kudrat ki marji hai
Marzi to hai lekin
Itni kya jaldi hai
Maine to zindagi naam tere kar di
Dil se mili dil ki saughat gayi
Saughat gai

Pahle pyar ki pahli ye barsaat hai
Hum dono yu ek duje ke sath hai
Bigenge hum tum hum
Tum hum barsat mein, barsaat hai
Pahle pyar ki pahli ye barsaat hai

Hum dono yu ek duje ke sath hai.
