Bharatlyrics.com  
Ain't playing around  
No no no games  
No complaining it ain't funny  
This is serious  
I'm delirious so maybe  
Yes but not to the money money  
Let it flow yo'  
Show me the mo'  
Here we jingle in jingle in  
Dingle dingle dingle in  
Are you diggin' me?  
I wanna bling bling  
Come on baby do your  
Thing and show me the money

No way no no no i won't play  
Do it do it my way  
Baby now you'll move on your  
Body rock on your body  
Catch that  
No no no no move that  
No no no no stop that  
Baby now you'll move on your  
Body rock on your body

Pyaar ki na mohabbat ki

Na khushi mujhko chaahat ki  
Chaah mujhko hai daulat ki  
You're never in a million  
If you've got a billion  
Dollars for me baby

If you want my heart  
You gotta start with  
All those fancy things  
I don't want a bloke  
Who's always broke  
I want a diamond ring  
Money show me the money  
Ae aa ohh dil chaahe paisa  
Ae aa ohh life mein  
Kuchh to ho aisa

Paisa kaisa kaisa paisa  
Saari kushi paisa  
Saara jahaan chaahe  
Ye paisa haan haan ye paisa  
Paisa kaisa kaisa paisa  
Saari kushi paisa  
Saara jahaan chaahe  
Ye paisa haan haan ye paisa.
