

Palakadhaiyill Song Lyrics

Pala kadhaiyil raatsasane inge vaaruvaane
Pazhi vaanga ratsaganum varuvan undane
Sathruvathan vadham seiya vandham ratsagane
Avanulle vandhaane raatsasan avane

Aavesamaa andha ratsaganum
Pala kaalam poraadi
Kurodhaththin vanma vishameri

Aanaan oru raatsaanai

Saadhikim gunam kondaale
Nee sandhamaai irundhakanume
Nee vetriya perave mannikkum
Gunavaanai vaazhndhaganume

Kobam namai koram aakkumdaa
Yuththam thonrinaal sinnap punnagai
Nee katti nippaattadaa

Nee ngaayavanaa nadamaadinaa
Vazhduvaaye oru raajanaa
Nee theyavanaa uruvaaginaa
Poi viduvaaye oru neesanaa

Pagaiyn nanjai manam erkkak koodadhuaa
Adhuve imsai adhanaal varum kedudaa
Nijathhinil dhairiyam thaanadaa
Nilaththinai aalum paarada

Thelivudan logam aaladaa nirandharanaa
Mandharin kaayam poiyadaa
Anaiththume mayyam peyadaa
Vaarththaiyil niyaayam
Vaiyadaa sirandhavanna

Kobam namai koram aakkumdaa
Yuththam thonrinaal sinnap punnagai
Nee katti nippaattadaa

Nee ngaayavanaa nadamaadinaa
Vazhdhuvaaye oru raajanaa
Nee theyavanaa uruvaaginaa
Poi viduvaaye oru neesanaa
