---

Akhan sahven reh meriyan hi palkan chhave tu  
Tere naal jeyon diyee dil arhiyee karda eh  
Tuhi meri taakat tu kamzori ae sajjna  
Tenu khon to dil mera bas rehnda darda eh

Khawban da mehal apne hathi banavange  
Jinna chir saah tere naal nibhavange  
Jinna chir saah tere naal nibhavange

Shiddat naal pughayie rooh de rishte nu  
Jagg diyee nazran to me rakhna parda eh

Akhan sahven reh meriyan hi palkan chhave tu  
Tere naal jeyon diyee dil arhiyee karda eh  
Tuhi meri taakat tu kamzori ae sajjna  
Tenu khon to dil mera bas rehnda darda eh

Hor kujh na bhave ikko chahat tuhi eh  
Thande bulle vargi rahat tuhi eh  
Thande bulle vargi rahat tuhi eh

Tethon vaddke hor koi sheh zaruri na  
Tere bajhon hun na sachi sarda eh

Akhan sahven reh meriyan hi palkan chhave tu  
Tere naal jeyon diyee dil arhiyee karda eh  
Tuhi meri taakat tu kamzori ae sajjna
