Bharatlyrics.com
She want that para rum pa
You know she wanna get a piece (know she wanna piece)

Caramel skin yeh she bengali
Body so thick
Like a new bugatti
Be my new ting
You aint gotta worry
Do you dirty
Always trustworthy

She be in and out
Like a criminal
When i call her
She say balah ah see

She say

She tryna rescue me
When she pull up in the ends in the suv

She got these diamonds on her wrist
But she came from the bottom

Dance in traditional
If she want that vitamin d i got the minerals
If u wanna go with the combo
Then i am give u extra cheeeese
