Thaththara... Thaa

Adhikkum irukkudha nadakkudha
Boomiye paadura paadula than
En parai saththamum ketkudha

Vekkuthe ennai thalli than
Poi kadhai onnu solli than

Kannula eeramum kaayala kaayala
Mannula manishanum maarala
Kannula eeramum kaayala kaayala
Mannula manishanum maarala

Pappara... Para para
Pappara... Para para

Theemaiyum onguthu
Needhiyum thoonguthu
Saadhiyum onnu than
Vaazhuthu

Saamiyum mounam than
Kaakuthu saagura
Koottam than kelvigal ketkudhu

Ethanai kaalam odiyum
En kadhai sogaa kaaviyam
Ini pogura paadhai porkalam
En kookural ketkum naal varum

Kannula eeramum kaayala kaayala
Mannula manishanum maarala
Kannula eeramum kaayala kaayala
Mannula manishanum maarala

Kannula eeramum kaayala kaayala
Mannula manishanum maarala
Kannula eeramum kaayala kaayala
Mannula manishanum maarala
