

Pardaah nasheen
Tujhse nahin koi kahin
Iss jahaan mein haseen

Pardaah nasheen
Tujhse nahin koi kahin
Iss jahaan mein haseen

Zalim teri kurti bereham badi hai
Jo dhalak rahi hai halke halke
Afwaa si udti besharam badi hai
Jo behak rahi hai halke halke
Nazar yeh dil jeetay
Ruki hai nazaare tu dikha
Tu jalwa chhupa ke
Dikha ke bahane na bana
Hata de hata de pardah hata de
Gira de gira de pardah gira
Hata de hata de o pardah hata de
Gira de gira de pardah gira

Drop it work it
Wanna see you hit the ground

Na chinmin ho na aanchal ho
Yahan tak na rumaal ho
Walla teri kayanaat mein
Aisa koi kamaal ho

Behke iraade jaisi sharaab hai
Lagti kharab hai tabhi toh
Yeh nakaab hai

Pardaah nasheen tujhse nahin
Koi kahin iss jahaan mein haseen
Tu jalwa chhupa ke
Dikha ke bahane na bana
Hata de hata de pardah hata de
Gira de gira de pardah gira
Hata de hata de o pardah hata de
Gira de gira de pardah gira

Karle jo ikkan ki khushkiyan aisa koi ho
Jisse rakhun na dooriyan aisa koi ho

Pardaah yeh bewaja ab sharm na haya
Faaslo ka ab samaa sharafat ko bhula
Hata de hata de pardah hata de
Gira de gira de pardah gira
Hata de hata de o pardah hata de
Gira de gira de pardah gira

Pardaah nasheen tujhsi nahin

Koi kahin iss jahaan mein haseen
Shikayat kare jo lade
Jo nazaare tu chhupa
Yeh jalwa dikha ke sataa ke
Main neendhay nu churaa

Hata de hata de pardah hata de
Gira de gira de pardah gira
Hata de hata de o pardah hata de
Gira de gira de pardah gira
Hata de hata de pardah hata de
Gira de gira de pardah gira
Hata de hata de o pardah hata de
Gira de gira de pardah gira.
