

Oh lala oh lala oh lala la la  
Pardha rukhe roshan se hatana  
Tab jab aankhe sab band kare

Kyonki mujhko sharam aati hai  
Meri jaan nikhal jati hai

Meri surat mera jalva dikhana  
Tab jab aankhe sab band kre  
Pardha rukhe roshan se hatana  
Tab jab aankhe sab band kare

Tanha nahi hum na mahfil me hai  
Na jane kya ho mushkil me hai  
Tanha nahi hum na mahfil me hai  
Na jane kya ho mushkil me hai

Dekho ye ishara samjho ye ishara  
Khudara, mujhko bana na apna nishana  
Tab jab aake sab band kare  
Mujhko bana na apna nishana  
Ab jab aake sab band kare  
Meri surat mera jalva dikhana  
Ab jab aankhe sab band kare

Dilbar ye dil ki aawaj hai

Darde mohabbat ek raaz hai  
Dilbar ye dil ki aawaj hai  
Darde mohabbat ek raaz hai  
Kahati hai jawani aanko ki jubani  
Ye kahani nazare meri nazhro se mila na  
Tab jab aankhe sab band kare  
Kahani nazhre meri nazhro se mila  
Tab jab aankhe sab band kare

Pardha rukhe roshan se hathana  
Tab jab aankhe sab band kare

Meri surat mera jalva dikhana  
Tab jab aankhe sab band kre

Pardaa aa.
