

Parda zara hatao
Parda zara hatao
To phir to phir koi baat ho
To phir koi baat ho
Aankhe jara milao
Aankhe jara milao
To phir to phir koi baat ho
To phir koi baat ho

Aane lagi hai tumko
Angdaiya udhar
Shayad ke meri aah
Ka hone laga asar
Aane lagi hai tumko
Angdaiya udhar
Kya haal hai batao
Kya haal hai batao

To phir to phir koi baat ko
To phir koi baat ko
Parda zara hatao

Yeh kya sitam ke parda
Deewar ban gaya
Tumko khabar kaha koi
Deewar ban gaya
Yeh kya sitam ke parda
Deewar ban gaya
Aakar gale lagao
Aakar gale lagao
To phir to phir koi baat ho
To phir koi baat ko
Parda zara hatao haye
Aankhe jara milao
To phir to phir koi baat ho
To phir koi baat ko.
