

Bemurawat tumhe samjhenge jamane wale  
Hamse fero na najar dil ko churane wale  
Aao bhi ho to khiche baithe ho  
Khanjar ki tarah  
Taki kat te rahe sine se lagane wale  
Parde me koi baitha hai parda karke  
Parde me koi baitha hai parda karke  
Allah main sadke jau aisi najar ke  
Allah main sadke jau aisi najar ke  
Kyonki parde me parde me  
Parde me parde me  
Parde me koi baitha hai parda karke  
Parde me koi baitha hai parda karke

Parde pe parda chilman pe chilman  
Jaise chhupi ho ghunghat me dulhan  
Parde pe parda chilman pe chilman  
Jaise chhupi ho ghunghat me dulhan  
Tujhsa mehbub meri jan jamane me nahi  
Jo batane me maja hai wo chupane me nahi  
Dekhenge hum bhi chhupta hai kab tak  
Koi bachake yun hamnse daman  
Tutega parda chutaga parda  
Najre milenge dil dhadkenge  
Pyar ke shole fir bhadkenge  
Dekhenge dekhenge dekhenge dekhenge  
Dekhenge apne jani ko ji bhar bhar ke  
Dekhenge apne jani ko ji bhar bhar ke  
Allah main sadke jau aisi najar ke

Kyonki parde me parde me  
Parde me parde me  
Parde me koi baitha hai parda karke  
Parde me koi baitha hai parda karke

Raaz ki baate kahna hai tumko  
Dil me hamare rahna hai tumko  
Raaz ki baate kahna hai tumko  
Dil me hamare rahna hai tumko

Apne jalwe meri najro pe lutana hoga  
Aaj to tumko mere samne aana hoga  
Darde jigar bhi mithi kasak bhi  
Fir has has ke sahna hai tumko  
Kitna bachoge kitna bachoge  
Mera tumhara samna hoga  
Hatho se dil ko thamna hoga  
Milte ho milte ho milte ho  
Milte ho apne yaro se kyun dar dar ke  
Milte ho apne yaro se kyun dar dar ke  
Allah main sadke jau aisi najar ke  
Allah main sadke jau aisi najar ke  
Kyonki parde me parde me  
Parde me parde me  
Parde me koi baitha hai parda karke  
Parde me koi baitha hai parda karke.
