

Get your hands up

Take it little higher....

Yeh pardewaali baat

Parde mein rehane do

Yeh pardewaali baat

Parde mein rehane do

Yeh pardewaali baat

Parde mein rehane do

Gar raaj khul jaayega,

Sab pata jo chal jaayega

Toh kya maja aayega

Take it little higher..

Take it little higher..

Yeh pardewaali baat

Parde mein rehane do

Take it little higher..

Take it little higher....naughty naughty

Dekho umar yeh sharaarat ki hai,

Aur yeh sharaarat kayaamat bhi hai

Dekho umar yeh sharaarat ki hai,

Aur yeh sharaarat kayaamat bhi hai

Dekho kisiko pata na chalein

Deewaano se toh saari duniya jale

Yeh nazonwaali baat

Yeh nazonwaali baat

Nazon mein rehane do

Can't take it higher

Can't take it higher

Yeh nazonwaali baat

Chori se tum ishq karate raho,

Chhup chhupake tum roj milate raho

Chori se tum ishq karate raho,
Chhup chhupake tum roj milate raho
Mauka mile toh kuchh kar jao tum,
Saari hadon se gujar jao tum
Yeh hontowaali baat
Yeh hontowaali baat
Honto mein rehane do
Take it little higher....
Take it little higher....

Yeh hontowaali baat
Honto mein rehane do
Yeh pardewaali baat
Parde mein rehane do
Gar raaj khul jaayega,
Sab pata jo chal jaayega
Toh kya maja aayega
Can't take it higher....
