

Life mein har kisi ko hota hai
Ek hi baar wo hai pyar
Tum ho to hai khushi
Tu hai mere dil ki pari
Tum ho to hai khushi
Tu hai mere dil ki pari
Sun meri baat
Din ho ya raat ho tera saath
Bhigi barsaat
Hai kuch baat samajh jazbaat
Haatho mein haath ho tera saath
Nahi main jaanta ki pyar kya chiz hai
Meri khushi bas ab tujhse judi hai
Ladkiya to maine bahut dekhi hai
Tu hi mujhko ek pyari lagti hai
Ji karta hai tujhe sair karaau
Duniya mein hi jannat main dikhaau
Chand taaro par tujhko le jaau
Pluto pe apna ghar main banaau
Tum ho to hai khushi
Tu hai mere dil ki pari
Tum ho to hai khushi
Tu hai mere dil ki pari

Sona chandi hire moti
Tu kya maange jaan de du
Pyar karu ikrar karu
Dil mera main tujhko du
Din raat subah shaam
Tujhko hi bas yaad karu
Makeup se leke sandle
Tak sabka bill main khud bharu
Main baap banu tere bachche ka
Hisab na ho tere kharche ka
Mai star banu tere kismat ka
Breakfast khilaau mere haath ka
Zor laga lo jitna ho
Iraado ka main pakka hu
Gharwali banaaunga tujhko
Boyfriend tera ho ya naa ho

Fark nahi padta mujhko ab
Pyar mein tere pagal hu
Jo nazar utha ke dekhe tujhko
Udhar hi main gaad du
