

## Parugu Parugu Song Lyrics

---

Parugu parugu velthunna etuvaipu  
Jarugu jarugu antundhe life uuuu  
Entha penchukuntunna naa vegam  
Nannu dhatipothunde lokam

Chakraalleni cycle laaga  
Rekkalleni flight laaga  
Bullet leni rifle laaga  
Dhaaram leni kite laaga  
Nenu kooda migilipoyaa

Parugu parugu velthunna etuvaipu  
Jarugu jarugu antundhe life  
Uuuu entha penchukuntunna  
Naa vegam nannu dhatipothunde lokam

Repanedi kalallonena nijaangaa adhi raadha  
Ninnalone nenundipovaala dhaati velle dhaari ledha

Mabbula loni full moon laaga  
Bharatlyrics.com  
Orchestra leni tune laaga nenu kooda migilipoyaa

Parugu parugu velthunna etuvaipu  
Jarugu jarugu antundhe life uuuu  
Entha penchukuntunna naa vegam  
Nannu dhatipothunde lokam

Yeah, you got to run you got to run  
You got to run you got to do  
What you got to do  
To get to where you wanna be  
Life is not a bed of roses man  
You got to get that in your head let's go

Okka adugu nannu mundukeyanivvade  
Venakki those edhuru gaali  
Okka mettu nannu paiki ekkaniyvade  
Nannu thokke force ne emanaaali?

Anhtam leni nireekshana laaga  
Phalitham leni pareekshalaaga  
Nenu kooda migilipoyaaaah

Parugu parugu velthunna etuvaipu  
Jarugu jarugu antundhe life uuuu  
Entha penchukuntunna naa  
Vegam nannu dhatipothunde lokam
