Pathikichu oru ratchasa thiri  
 Vedichu than idhu theerumae  
 Pothi vecha anuaayudham ini  
 Ulagaiye bali ketkumae

Ratham oru sottu  
 Micham irundhaalum  
 Kadhai innum mudiyala  
 Thodaruthu paaru  
 Ennaikkum vidaamuyarchii  
 Nambikkai vidaa muyarchii

Vaanathaiye kilichittu  
 Evan kudhichalum  
 Saavukku bayamilla  
 Vedikattum poru  
 Ennaikkum vidaamuyarchii  
 Nambikkai vidaa muyarchii

Ulagam unnai edhirkkum bothu  
 Unnai neeye nambhu podhum

 Thats what im talking bout g  
 You feel me

Aint never backin down  
Fam no matter  
Im stickin to plan  
Aint settlin for  
Nothing less than a history victory  
Just isn't me  
To lose my grip and let things be my destiny  
Just testin me  
I've got so much more left in me  
Yo imma keep pushing  
Impossible is a word i murdered for this mission  
Yeah my will is driven  
Hella hella unrelatin puttin in the work  
24/7 in it for winning
