

Pathu Kadal lyrics

Pathu kadal thandi naa
Kondu vantha pavalame
Ettu thesa paranthu naa
Alli vantha agilame

Pathu kadal thandi naa
Kondu vantha pavalame
Ettu thesa paranthu naa
Alli vantha agilame

Thazhumba naa iruka
Thadavi nee kodukka
Odamba na kedakka
Usura nee iruka

Raththamellam oru neram than mutharame
Mathathellam verum kadha than mutharame
Raththamellam oru neram than mutharame
Mathathellam verum kadha than mutharame

Velicham pol varum
Anicha poo mogam
Anaika thaanyena
Unaku naa thenam

Entha vazhi ponalum
Motha mulla thachalum
Marundha naa irupen kaiyoda
Ketta sollu thottalum
Suththi senam vittalum
Usura na somappen nenjoda

Kanneduthu kanda theivam mutharame
Enna vittu yenga poogum mutharme

Pathu kadal thandi naa
Kondu vantha pavalame
Ettu thesa paranthu naa
