

Rajma nation!

Mars!

Patna vaale, hum larke patna vaale
Patna vaale, sab humse darte saale
Patna vaale, hum larke patna vaale
Patna vaale

Padhai toh karte par kalam chalate nahi
Chhot to lagti par malham lagate nahi
Girlfriend banate par girl hum fansate nahi
Bhole ke bhakt par jal hum chadhate nahi
Sabko masal de par bal hum dikhaye nahi
Aasli bihari hum mufat ka khaate nahi
Aasli hamari hai super si batein hi
Ladna na dete hum munh par tamance bhi
Larte akele nahi, ladke bulate hi
Chante pe chante par kungfu karate nahi
Roj nahate par shampoo lagate nahi
Khate to sabka par same too khilate nahi

Ghumte phirte marte bunk
Padhna likhna hume nahi pashand
Gamchi kandhe par badhte dabang

Larki chahiye toh chahiye ji tounch
Kanhe bhi raate lagake ek punch
Non-veg khaate hum shadhu na sant
Larki patate par karte na tang
Dil ke sareef badalne ka rang

Patna ke larke na kisi se darte hain
Patna ke larko ke har jagah charche hain
Patna mein koi na karsakta bumbaari
Bumbaari patna ke larke khud karte hain

Patna vaale, hum larke patna vaale
Patna vaale, sab humse darte saale
Patna vaale, hum larke patna vaale
Patna vaale

Larna bhirna toh hai job hamari
Har jagah pucho hai khauf hamari
Naam hi jante kampte saare
Ek bihari sau pe bhaari
Aisa na socho kyun bhonke khaali
Yahan ke larke sab top khilari
Parte hum sabke soch pe bhaari
Jannat ke karte hum roz sanwari
Khel kood ke mauj manali
Hamari toh hoti hai roz dilwali
Gf chhode toh us chhot pe taali
Kitna bhi karle na chhod paaye gaali

Patna vaale, hum larke patna vaale
Aye, aye, aye
Mars!
Khatam!.
