

Patthar ko kuchalo toh pair hi kuchlega
Khanjar mein chaku de dhaar hi tutega
Kiya toh kiya toh kabhi kiya hoga
Daldal mein utara toh kyun na tu dhasega
Ghutano ke bal par kab tak kaun chalega
Kabhi toh uthega bas phir tu ladhega
Patthar ko kuchalo toh pair hi kuchlega
Khanjar mein chaku de dhaar hi tutega
Koyi kya kare jisake haathon mein do kulhadi
Puja toh karega nahi maarega dindahaade
Rakta rakta rakta rakta rakta rakta....raktacharitra

Puri hai krurata jo maafi hai murkhata
Dard jaanata hai kabhi dard se yeh pata
Dard jaanata hai kabhi dard se yeh pata
Raah chingaariyon se tufaan chalati nahi
Bich raah goliya bhi disha badalati nahi
Jehar diya toh wohi ragon mein daudega

Jehar diya toh wohi ragon mein daudega
Ghayal hi hoga jo bhi isako nichodega
Khud ghaanv paaye bina naa kisi ko chhod dega
Khataron ke nischay se chattan phod dega
Kiya toh kiya toh kabhi kiya hoga
Daldal mein utara toh kyun na tu dhasega.
