

Waqt ke saanche mein
Apni zindagi ko dhaal kar
Muskuraaoo maut ki
Aankho me aankhe daal kar

Patthar se shisha takaraa ke
Patthar se shisha takaraa ke
Wo kahate hai dil tute na
Us dhan ki kimat kuchh bhi nahi
Jis dhan ko luterana lute na
Patthar se shisha takaraa ke

Nazaro ka ishara dhokha tha
Baato ka sahara dhokha tha
Baato ka sahara dhokha tha
Ab gham mein dil dube lekin
Ab gham mein dil dube lekin
Manjhadhaar se nata tuti na

Patthar se shisha takaraa ke

Do aankho ke takaraane se
Afasaane banate hai lekin
Afasaane banate hai lekin
Kuchh aise fasaane hai jinka
Kuchh aise fasaane hai jinka
Kanto se daaman chhute na
Patthar se shisha takaraa ke

Bekarari karar ho jaye
Jo fiza me baahaar ho jaye
Jisko kahate hai pyaar ka sagar
Jisko kahate hai pyaar ka sagar
Dubanevala paar ho jaye

Tufaan mein chhalate rehana hai
Sholo mein jalate rehana hai
Sholo mein jalate rehana hai
Wo manzil kya jis manzil mein
Wo manzil kya jis manzil mein
Pairo ke chhaale phute na
