Main chunari sar pe rakhungi
Main ankhon mein kajal dalungi
Tum kehte ho achhi lagti
Maathe pe bindi laga lungi par
Payal utaar dungi

Shake that thing baby
Shake that thing baby
Shake that thing baby
Shake shake shake shake shake shake shake

Payal utaar dungi
Baahon ka haar dungi
Tu saajan saajan mera
Tujhko hi pyar dungi

Shake that thing baby
Shake that thing baby
Shake that thing baby
Shake shake shake shake shake shake shake

Tootegi payal kachi badi hai
Tu phuljadi hai re tu phuljadi hai

Dance wance kam kiya kar meri rani
Agar tujhe payal ki padi hai

Tera nazrein jhukana
Jhuka ke uthana
Aur fir se girana
Ada hai katilana

Yeh kehna ki tareef
Karte hi jana
Bana du deewana
Dil baar baar baar dungi

Payal utaar dungi

Shake shake shake shake shake shake shake

Shake that thing baby
Shake that thing baby
Shake shake shake shake shake shake shake
