

Pee loon tere neele neele
Naino se shabnam
Pee loon tere geele geele
Honto ki sargam
Pee loon hai peene ka musam
Tere sang ishq kaari hai
Tere sang ik khumari hai
Tere sang chain bhi mujhko
Tere sang bekarari hai

Tere bin jee nahy lagta
Tere bin jee nahy sakta
Tujh pe hai haare maine
Waare do jahan
Kurbaan marhban ke
Main to kurbarn
Sun le sada

Hosh main rahon kiyun aaj main
Tu meri bahon main simti hai
Mujh main samayi hai youn
Jis tarah tu thodi ho nadi
Tu mere seene main chubti hai
Sagar tumara main hon.

Pee loon teri dheemi dheemi
Lahron ki chamcham.
Pee loon teri saundi saundi
Sanson ko har dam
Pee loon hai peene ka mausam

Tere sang ishq kaari hai
Tere sang ik khumari hai
Tere sang chain bhi mujhko
Tere sang bekarari hai
Tere sang bekarari hai

Sham ko milu jo main tujhe
To bura subha na jane
Kiyun kuch maan jalati hai yeh

Har lamha har ghari har pahir
Bhi teri yadon se tadpa ke.
Mujhko jalati hai yeh
Pee loon main dheere dheere
Jalne ka yeh ghum
Pee loon in gaure gaure
Hathon se humdum
Pee loon hai peene ka mausam.

Tere sang ishq kaari hai
Tere sang ik khumari hai
Tere sang chain bhi mujhko
Tere sang bekarari hai
Tere sang bekarari hai

Tere bin jee nahy lagta
Tere bin jee nahy sakta
Tujh pe hai haare maine
Waare do jahan
Kurbaan marhban ke
Main to kurbarn
Sun le sada.
